Dear Walter:

Thank you for a wonderfully fun luncheon program in honor of Professional Assistants Day. Here it is a month later and all the guests are still talking about the great food, beautiful table décor and, most of all, your very special and unique presentation. When you said you would answer questions as long as they are asked, I knew it would be a long afternoon – this is not a shy group! Thank you for staying with us to the end of the event and sharing your awesome experiences.

I now have my work cut out for next year. You are a hard act to follow. Michelle Stevens and her guests were just delighted with the entire event.

I highly recommend your program and would be happy to be a reference.

Best of Luck!

Sincerely,
